

PRIVACY GLASS SOLUTIONS™

POWERED BY VISTAMATIC

Making Privacy Beautiful

Privacy Glass Solutions is a world leading designer and manufacturer of high quality, innovative and highly customizable privacy and decorative glass solutions using the latest in cutting-edge technology.

COMPANY PROFILE

Our story began as Vistamatic in London, England in 1978. Back then we were a manufacturer of one product with a single location. Today, the Privacy Glass Solutions/VISTAMATIC® presence spans the globe with Headquarters in Europe and the United States and we are privileged to connect with thousands of customers every day around the globe.

VISION

Provide innovative and beautiful privacy solutions to all glass surfaces.

MISSION STATEMENT

To change how the world sees privacy glass by delivering innovative product designs, beautiful aesthetics, outstanding customer service and premium product quality to all glass applications.

ABOUT PRIVACY GLASS SOLUTIONS

Our mission is what drives us to do everything possible to expand our product portfolios into existing and new markets. We do that by creating groundbreaking product innovations, by making our products more sustainable, by building a creative and diverse team and by making a positive impact in communities where we live and work.

Based in Coral Springs, Florida, Privacy Glass Solutions includes the Vistamatic Vision Panels®, BetweenGlassBlinds®, Clarity Switchable Privacy Glass and Deco Glass brands.

INNOVATION

WE DARE TO DESIGN THE FUTURE OF PRIVACY GLASS.

As a pioneering designer and manufacturer, our products have been used in hundreds of medical facilities, high-security environments, businesses, and learning institutions around the world for over 40 years. We continue to lead the industry with innovative and cutting-edge technology that is highly customizable.

OUR TEAM

A TEAM THAT'S EMPOWERED, DIVERSE AND INCLUSIVE.

As a family run business, with strong values, it is always our goal to provide the best service available. We aim for a stress-free, professional experience that makes every project run as smoothly as possible – on time and within budget. At Privacy Glass Solutions, we will work with you, and for you, to achieve the best result.

SUSTAINABLE BUSINESS INNOVATION PROTECTING THE FUTURE OF OUR WORLD.

Privacy Glass Solutions prides ourselves on using local and recycled materials to promote U.S.-made products where feasible, as well as environmentally friendly initiatives.

PRODUCTS

We currently offer four main categories of products with many customization options.

Vistamatic: With over seven product lines Vistamatic Vision Panels are the world's leading glazed privacy glass panels.

BetweenGlassBlinds: Double-glazed units, complete with fully integrated Venetian blinds, hermetically sealed between two panes of glass. Many options available.

Clarity Switchable Privacy Glass: At the flick of a switch you turn your panels from opaque to clear and back again.

Deco Glass: With digitally printed glass the possibilities are endless. From company logos, to signage, to fully printed artwork panels, let your imagination run free.
