PRIVACY GLASS
SOLUTIONS

Discover the Future of Entry Doors: Switchable Glass Innovation

Clarity VIEW Switchable Glass transforms entry doors with seamless privacy control. With a push of a button, it shifts from opaque to transparent, enhancing security and convenience for homes and businesses. Experience a modern, intelligent alternative to traditional doors.

Key Features

- Instant Privacy: Toggle between opaque and transparent instantly.
- Enhanced Security: See visitors without opening the door.
- Durable & Safe: Tempered or laminated glass for longevity.
- Low Maintenance: 4 AA batteries last up to 300 days.
- Programmable Timer: Set for 1-30 minutes.

APPLICATIONS

- Residential Entry Doors
- Commercial Entryways
- Office Reception Areas
- Retail Stores
- Hotels and Hospitality
- Healthcare Facilities

INSTALLATION AND MAINTENANCE

Professional installation by certified technicians is recommended to ensure proper functioning. Regular cleaning with non-abrasive, mild cleaning agents is sufficient to maintain the glass's clarity.
